Principal ma'am gave run through on NEP2020 and informed that the same was shared in the class groups for the parents. Principal enquired if any parents had doubts about NEP2020. Dr. Namrata Kabra enquired about the changes in new academic year as per NEP and requested to share the information on class WhatsApp groups, to which the Principal assured would be done.

The School Calendar for the academic year 2021-22 was discussed and all were satisfied with the calendar, Co. Curricular activities and holidays in the coming year. The Principal also informed about the opening of school for the new academic year 2021-22. Also PTA members were assured that any guidelines from State Government would be intimated to parents timely as and when received and required.

Mrs. Chabda enquired about the schedule for the class 10th appearing for board exams. Principal informed that the students would have offline prelim exams in the month of April and assured that proper precaution would be taken during the offline examinations.

Dr. Shinde enquired if the schedule for school would remain same for upcoming year, and it was informed that at present it would remain the same and should there be any change the same would be informed.

The Principal stated that the school fees had not been increased this year and requested PTA members to request all parents to pay pending fees.

Dr. Kabra requested to reduce the screen time as it may give rise to ocular health issues. Principal welcomed the suggestion and noted it down. Principal also expressed concern over the mental health of the students and asked PTA members that should any parent be facing any issue they may contact the school counselors.

The members were informed about Blended Learning and the use of digital technology as a tool to improve learning.

Since there were no other matters the meeting was called to end with the Vote of thanks.
