

Minutes of the PTA Executive Committee Meeting 15th October 2019

Time: 3:00 pm

Venue : AVC Pre Primary

Agenda:

1. Approval of the previous meetings
2. Student enhancement plan and the Lead School
3. Any other Matter

The previous minutes were approved.

Principal gave an introduction on the lead School which was followed up by the representative of the Lead School sharing details of the same. The parent body looked forward to the Lead School implementation.

Dr. Udhan shared parents feedback received on the following:

ATL much appreciated by the parents and looking forward to research work starting at school

Complain regarding chapattis that were being made by the machine in school. Dal being a little liquid and rice and vegetable following short on a few days from the secondary section. The principal said that she would look into the same and also suggested that parent members must come and check the same.

There was a complain regarding the cleanliness of the washrooms in the primary section. The principal assured that regular checks were happening but all the same would be looked into and during the breaks a worker would be deputed on continuous duty in the washrooms.

There was a complain raised that there was always a que when students had to call home. Principal requested that students need to bring all items to school and follow instructions so that they don't need to call home.

Dr. Udhan further requested that the Annual Day scheduled for the 24th of October for the secondary should be rescheduled as the election results were to be declared , but since everything was already ordered and planned the same would be very difficult for the school.

The meeting ended on a note of Thanks.
